PASTOR BRIAN ON SABBATICAL TILL AUGUST 1ST

What is a sabbatical? A ministry sabbatical is a time of purposeful resting and planned refreshment, with a spiritual renewal component or emphasis. The leave accomplishes a specific intent: to renew and restore vitality and health in spiritual leaders. Some elements of work may be a part of it. While that work could include research and writing, it could also be exploring a new devotional practice, traveling to significant locations that have shaped and informed our faith, or taking time to do something creative for use in the congregation or beyond. Please pray for refreshment and spiritual renewal during his time away.

BEFRIENDER MINISTRY

BeFriender Ministers are caring friends who listen and pray for and with individuals who are working through a challenging time in life. We all encounter tough times and sometimes we need someone who will be present, without judgment. The role of the BeFriender is to listen and care. The ministry is one where compassion is offered and a safe place is provided, where those in need of support can confidentially receive it. If you are needing someone to walk beside you, please contact the pastors, the church office or call Carol Platt (712-229-2991), Carol DeSchepper (605-261-0581), or Tammy Carr (712-330-1102) to discuss options for how the First Lutheran family can support you.
