BRICK PAVER OPPORTUNITY

Luther Rose Prayer Garden

The Prayer Garden Team orders memorial bricks.

This is an opportunity to honor and/or memorialize your family or friends by purchasing a 4 X 8 engraved brick paver for the courtyard of the Luther Rose Prayer Garden.

These new pavers will be placed in the hardscape of the garden along the walk that winds from east to west, and will leave lasting memory for years to come.

Complete the form below & return to the church office.
