VIDEO

Exodus 32:1-35

Head to our Children's Ministry page on our website (www.3cross.org/children) or go to our YouTube page for this week's Children's Video with Reagan and Bobbie! It will be labeled: 'March Week 2'

The video will have a few discussion questions towards the end. You're welcome to pause the video to discuss, or watch the rest of the video and go back to the questions later. The Bible Story for the week will be told in the video this month!

DIGGING DEEPER

The questions below are some more discussion questions that dig a little bit deeper into the Bible story in connection with the Video lesson. Feel free to take some time discussing, and end in prayer together.

- What kinds of things do you consider to be "worth the wait"?
- What is something you really like to do, that you have to wait a long time for?
baking, ordering something online and having to wait, waiting for the next movie/tv show to premiere, etc
- If you had been there when the Israelites started planning the golden calf construction, can you think of anything you might have been able to say to realize what they were doing was wrong?
- What do you think are some of the best reasons to be patient?
- What can you think about when it's hard to wait?
- When you are in a difficult situation and you have to wait for answers, how does it help you to know that God keeps promises, loves you, and has a plan for you?

****** It might be helpful to provide an example for this last question. Perhaps you can give an example of when you're waiting for test results, or a parent loses their job, or a family member is sick, etc
