

What a wonderful day we had together on Sunday, June 27th! Our “CELEBRATION SUNDAY”, in honor of burning our church’s mortgage, went so well and there are two big reasons why: GOD and YOU!

Thanks to those volunteers who: ushered the vehicles into the worship area passed out commemorative mortgage burning candles, greeted and passed out bulletins, worked in the “food stand”, and delivered lunches to each person! Thanks to the members of our music group who provided inspirational music for the event.

June 27th was both a joyous and a challenging day. Joyous for the freedom from debt. Challenging because we now must use that freedom to meet and expand the mission of spreading the gospel of Jesus Christ to the Lakes Area.

Thanks again to you all!
